

Walkwayz™ Site Mat—a lightweight, medium-duty mat that keeps your space clean and defines a clear walkway. Its vibrant red design guides foot traffic and enhances safety, while low-profile edges minimize trip hazards. Durable and easy to maintain, Walkwayz™ is perfect for any indoor or outdoor area!

Ground Mats 

Features

- Low Profile: Safe, trip-resistant edges for high-traffic areas
- Easy Maintenance: Simple to clean —just hose, shake, or vacuum.
- Loop Texture: Soft and resilient for added comfort.
- Vibrant Red Design: Bold color enhances visual appeal

Create Clear Walkways Fast!

At Ground Nurse®, our core values drive us to put you first. We stay true to our principles, act fast, and provide honest, human service. We embrace innovation and value your feedback to continually improve and address your ground protection needs.
